

# Exclusively committed to serving Oklahoma's government retirement plans

Saving for retirement is one of the biggest challenges your employees will face during their working years. A savings opportunity provided through the **Oklahoma Municipal Retirement Fund (OkMRF)** can help them meet that challenge by setting the course for a more secure future in retirement.

## A BRIEF HISTORY OF OKMRF

OkMRF was established in 1966 by state statute. The City of Shawnee and the City of Ada signed the first Trust Agreement that established the OkMRF System and Trust. Twenty-four members joined that first year. Currently, OkMRF has over 200 members with assets exceeding \$725 million.
