

**GREAT
NEWS!**

A new member has joined the OkMRF family. We are pleased to announce that the Oklahoma Municipal Retirement Fund is now available for the Chelsea Gas Authority Employees.

OkMRF is committed to providing retirement services in a cost-effective manner to municipal employees across Oklahoma.

We are excited to have the Chelsea Gas Authority as a Member in the Oklahoma Municipal Retirement Fund. On behalf of myself and the OkMRF Board of Trustees, thank you for your partnership. Together we are stronger!
